## DECEMBER NEWSLETTER

## FROM THE PASTOR

November 1 was scheduled to be Janna Camperman's last official day as Heritage Bible Church's Administrative Assistant, but she graciously stayed on board until the Lord provided us with her replacement. She has served this church fantastically over the past couple years, taking great initiative and streamlined many of our processes and organized things in the church. Her technical skills were a tremendous asset to me, and she will be missed.

But, things change. Simeon Camperman has now been added to their family, and in His perfect timing, the Lord has provided us with a fantastic replacement for Janna. Autumn Kotsiuba started on December 2. She comes to us with a heart to serve the Lord and His people, and the skills to excel in this position. Here is a little bit more about Autumn:

"Hello HBC! I'm so honored to be able to serve you in an administrative role. The question I've been asked the most since arriving is where I'm from, which isn't the easiest to answer. I grew up in Southern Illinois and attended Bible college in the Dallas area. Afterwards I followed God's calling and moved to Kyiv, Ukraine, where I assisted missionaries there in an administrative role. This is where I met my husband, Anton Vladislavovich (but you can just call him Anton!).

We moved down to Panama City to be closer to family, and we are continually amazed to see the kindness and resiliency of the community. Already we feel that this is home. I'm passionate about missions, dogs, coffee, and especially about meeting new people. We are so excited to get to know all of you. And, since it's December--Merry Christmas!
